

Please, please do not change WISC do not call list program.  
I cannot stand getting telemarketing calls---they were sometimes  
calling me after 8:30pm---My husband (he works at 3am) & kids go to  
bed at 8pm--- I do not need or want these unwanted calls. I have  
never & will never buy anything from a telemarketer. These days  
you cannot trust any unsolicited selling. Please do not change our  
state laws !!!!
